U.S.D.J. 05/22/2023

Re: *United States v. Nykem Alston, 22 Cr. 517 (VSB)*

Dear Judge Broderick:

The Government writes to respectfully request that its deadline to oppose the defendant's pending motion to suppress, which is currently set for May 25, 2023, be held in abeyance. The parties have recently reached an agreement in principle as to a pretrial resolution of the above-captioned case, which would render further suppression litigation unnecessary. The parties are endeavoring to promptly finalize the agreement and will contact the Court as soon as a change-of-plea proceeding can be scheduled. In the event the anticipated disposition does not come to fruition, the parties will immediately notify the Court so that the Government's suppression motion opposition deadline can be reset and the Court can set pretrial filing deadlines in advance of the July 10, 2023 trial date. The defendant, through counsel, consents to this request.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
